2007 YTS Health Indicator Reports

www.hhdw.org

The Youth Tobacco Survey (YTS) report structure was expanded and reorganized for the additional 2007 reports.

The new reporting tree is now organized as follows:

Health Profile Category	Health Variable	Report Title
Chronic Disease	Chronic Disease	Asthma
Demographics	Demographics	Demographics
		Students Under Age 18
Tobacco Use	Access	Ability to Purchase
		Usual Source of Cigarettes
	Cessation	Quit Attempts
		Used a Cessation Program
	Initiation	First Used Tobacco Before Age 13
	Media	Tobacco Use in Media
		Anti-tobacco Influences
	Prevalence	Current Tobacco Use
		Lifetime Tobacco Use
		Frequent Tobacco Use
	Schools	Anti-tobacco Curriculum
		Smoking on Campus
	Secondhand Smoke	SHS Exposure
		SHS Exposure (Current and Never Smokers)
		Secondhand Smoke Knowledge
