

Perceived Likelihood of Completing High School Program in Hawaii, by County

Perceived Likelihood of Completing High School Program in Hawaii, by School Type and County, by Gender, Grade Level, and DOH Race-Ethnicity,* for the Years 2011 - 2015

Hawaii county data are not available for 2011. Kauai had no Native Alaskan/ American Indian respondents for 2013.

Below are the indicators included in this report and the long description for each indicator.

YRBS Health Indicator	Health Indicator Description
How likely to complete high school	How likely is it that you will complete high school
