

## Employment status - parttime, for the State of Hawaii, for the Year(s) - 2006, 2007, 2008, 2009

Employment status - parttime, by State, County, Island, Community, Gender, HHS Age Group, DOH Race-Ethnicity, Education Level, Household Income, Poverty Level, Marital Status, for the Year(s) - 2006, 2007, 2008, 2009

*The trend analysis report shows the values for the selected health variable in table and graph form. Estimated Population: This number is a weighted representation of the population who responded to a particular question in the survey. For most questions the eligible population will be the entire adult population. For some secondary questions only a subset of the population was asked the question. If a dimension value is unknown for a particular survey record, that record will not be included in the counts for that particular dimension.*

*Below are the indicators included in this report and the long description for each indicator.*

| HHS Health Indicator         | Health Indicator Description |
|------------------------------|------------------------------|
